Dear Sir/Madam,

Are you looking for a Wordpress Website Developer with:

- 3+ years of experience in Professional Website Development?
- Knowledge of the latest techniques in Business Websites?
- Creating & Maintaining Websites for a variety of clients?
- Excellent communication skills with ability of a group / solo player?
- Passionate to learn & to increase skills in the modern era development?
- Seo Optimized Websites for clients?
- Custom Website Development with html, php & css?
- Strong grip on page builders (elementor etc) & E-commerce sites?

If so, then you need look no further. You will see from my enclosed resume that I meet all of these qualifications and more.

I would very much like to discuss opportunities with **Digital Partner** as my first Company as well as working with Techchoosers. I worked with them as an internee then as a wordpress website developer for 2 years. I sharpened my **digital marketing & website development skills** with addition of graphic designing such as logos, posters,etc. After working i joined **Ornate Systems & Exigency** as my next step in the learning of Website development. Thanks to my experience in **digital marketing & graphic designing** which helped me alot in this field. To schedule an interview, please call me or mail me anytime. **I will definitely work on half of the price that developers consider also included with my extra skills to increase my exposure.** You can leave a voice message at any time.

Thank you for taking the time to review my resume. I look forward to talking with you.

Sincerely,

Muhamad Abdullah (The Website Developer)
